### **Space & Naval Warfare Systems Center Awards Contract**

CHARLESTON — AlliedSignal Technical Services Corporation of Columbia, Md., is being awarded a \$9,945,012 Time-and-Material, Indefinite Quantity, Indefinite Delivery Type Contract, for a nine-month period of performance. The contract will provide Engineering, Technical and Management Support Services as required by Space and Naval Warfare Systems Center Charleston Code 631 to support C4I programs and projects. Sponsors include Space and Naval Warfare Systems Command; Joint Commands such as the United States Atlantic Command, United States Pacific Command, Southern Command and European Command; as well Commander in Chief U.S. Naval Forces Europe, Commander in Chief U.S. Pacific Command and associated Type Commanders. This contract was not competitively procured. Work is expected to be completed by January 1, 2000 and will be performed in Norfolk (70 percent) and Charleston (30 percent). Multiple sources of funding will be used and will not expire at the end of the fiscal year. The Space and Naval Warfare System Center Charleston, S.C., is the contracting activity (N65236-99-D-6706).
